Your Support Is Needed

Member donations pay for supplies, insurance, staffing, and other essentials; fund historic restoration and preservation; and support cultural and educational programming for youth and adults.

Thank You!

Friends of Dangberg Home Ranch is a 501(c)(3) member-supported non-profit organization, incorporated in Nevada and dedicated to the preservation and operation of Dangberg Home Ranch Historic Park.

With Your Help, We . . .

- ♦ Planted fifteen trees, laid new grass sod, renewed the driveway and gardens, and installed a sprinkler system.
- ♦ Restored the interiors of the garage and carriage house, repaired brick walls, replaced the garage roof, and restored electrical service to those buildings.
- ♦ Restored the Delongchamps gateway.
- ♦ Repaired the ranch house's brick walls and completed restoration of damaged floors and walls inside, including all of the kitchen and worker's dining room.
- ♦ Created and installed interpretive signage to help visitors learn.
- ♦ Provide access to the ranch buildings, sharing Carson Valley history.
- ♦ Present the Dangberg Summer Festival—concerts, Chautauqua, history presentations, and more.
- ♦ Care for and display the park's artifacts, photographs, and documents.
- ♦ Created educational programs and learning activities for youth, both at the park and in the classroom.
- ♦ Received \$700,000+ foundation and government grants since 2011.

With Your Help, We Can . . .

- ♦ Build the endowment to \$1.5 million.
- ♦ Restore the bunkhouse interior.
- ♦ Expand cultural and educational programming.

Thank you!

Restoration

The restoration fund makes critical repairs to the ranch house and other historic structures possible, restoring them for everyone's enjoyment. While significant work has already been completed, much remains to be done before time and the elements do their worst.

Friends of Dangberg Home Ranch has a mission to protect and share the resources of the Dangberg Home Ranch Historic Park so as to promote understanding of Carson Valley's agricultural history and provide public arts and cultural opportunities.

Special Funds

Education

Educational programming is an important goal for any museum, and your donation helps accomplish that. Plans include activities that connect with history, the arts, and agriculture. We'll also create partnerships with schools and others in the community to maximize our capacities.

Endowment

Managed by Community Foundation of Western Nevada, the endowment is an investment in the future, generating a return to fund operations and cultural programming. Planned giving (wills and estates) is welcome as we work towards our \$1.5 million goal.
